NEW CONSTRUCTION PROJECT INTAKE — FULL PROCESS MAP

Skill: add-to-estimating-kulka
Captured from: Nicosia/Gasdia Residence — Job 00544
Sheet: SKILL-001 REV.C
Hardened: 2026-09-18

All thirteen steps of the hardened intake ritual — from a raw lead to a five-system, cross-verified job — with the two branch points, the two optional/always-run distinctions, and the closing rule for when to stop versus when to keep going.

mandatory step · optional — depends on system selection · human checkpoint · decision / branch
